

Engage your audience with vibrant presentations

Get the most out of your i3PROJECTOR with:

i3LEARNHUB

Our cloud based collaborative learning platform that allows teachers to **prepare and share lessons** with students anywhere, anytime. **Shortlisted as best Educational app at BETT Show 2018!**

i3BOARD

An interactive whiteboard helps **make lessons more dynamic** and to personally engage students in learning activities. It allows you to involve multiple users who can contribute with views and ideas in real-time.

i3SPEAKERS

An active speaker system that offers an **easy and flexible sound solution** for a wide variation of applications, while producing a **clear and powerful sound**.

i3COMPUTER

A powerful and reliable minicomputer that can be **perfectly integrated with other i3 products** such as i3BOARD, i3TOUCH and i3PROJECTOR. It's available in both a **standard and OPS format** for easy display integration.

Warranty
